~~VERBATIM TEXT~~

Department would accept following formula:

~~DEPT WOULD accept FOI formula~~ QTE in which such

national is domiciled, or pursuant to the laws of which such company is organized, or in which, if such company is organized under federal law, such company has its principal office UNQTE. This is same as ~~JAP~~ Japanese Department proposal with purely technical perfections. ~~DEPT~~ finds "domicile" formula objectionable primarily because ~~WED~~ would subject State corporations to dual test.
